**South Surrey Smiles
2018 Top Choice Award**

Vancouver, Surrey, British Columbia – March 5th, 2018

South Surrey Smiles has been awarded the Top Choice Award as the Top Orthodontic Clinic in Vancouver for 2018. All of us at South Surrey Smiles are extremely pleased to have been chosen for a consecutive year as the best orthodontic clinic in the Vancouver area according to consumers. Maintaining our position as the top orthodontic clinic involves a great deal of dedication and hard work from our entire team. It is extremely gratifying to see our hard work recognized by local consumers and our valued patients. The whole team at South Surrey Smiles would like to thank everyone who took the time to vote us into the top spot. We are truly fortunate to be included and recognized in such a wonderful community, and we plan to maintain our position as the Top Orthodontic Clinic going forward!

The Top Choice Awards have grown significantly since they began in 2005. This year saw the highest number of nominees and voter participation, making 2018 the most popular and closest Top Choice survey to date. There are plenty of nominees in each category, but only one winner, which is why our entire team is so proud to have received the Top Orthodontic Clinic Award once again.

On behalf of everyone at South Surrey Smiles, we would like to extend our thanks to our fantastic clients and everyone who supported us with their votes this year. It is exciting to see the time and effort we spend building trust and positive relationships with our clients be recognized. We look forward to making 2018 another great year for our team and everyone who visits South Surrey Smiles!

Thank you!
